

NEC-ISA 2006 Sponsorship & Quarterly Newsletter Advertisement

December 11, 2005

Dear Sponsor,

We are now gearing up for the continued production of the ISA New England Chapter Quarterly. I want to thank you for your continued support of the Quarterly as well as any other functions that you sponsor. This continued support is important to the overall health of our organization.

There have been several changes over the last year and the Chapter has since engaged the services of our Administrative Assistant, Marcia McPhee to be our Editor for our Quarterly Newsletter.

The cost of the advertising is the same as last year, \$300 for a ¼ page for four issues. If you support numerous NEC-ISA functions we are offering a reduced cost for the whole deal. A great way to save money while supporting the NEC-ISA, see the attached information!

To make this process as smooth as possible, I have included a confirmation/invoice letter, listing all of the advertisements and sponsorships available, with your name and pre- printed, all you have to do is fill out what you would like to support and send it in along with a check or credit card. If you have any change of copy, please include this with your confirmation letter.

Please get your ad copy and confirmation in as quickly as possible. We are anticipating publication of the first newsletter in January. All ad copy should be emailed to Marcia, if possible.

I want to thank you again for supporting NEC-ISA. If you have any other questions, please feel free to call.

Sincerely,
Pete Hoag
President Elect, NEC-ISA
