NEC-ISA's 29th Annual Tree Climbing Championship

Saturday, June 9, 2018

Time: 6:45am - 6:00pm

Location: Connecticut College, New London, CT

The New England Chapter of ISA is pleased to announce that the 29th Annual New England Chapter of the International Society of Arboriculture Tree Climbing Championship will be held at Connecticut College in New London, CT. This unique and exciting event is open to the public. We hope you are all able to attend.

Watch as the region's most skilled climbers compete for the coveted title of New England Champion and a chance to compete in the grand finale, known as the International Tree Climbing Championship, to be held this summer in Columbus, Ohio! Climbing categories include: Aerial Rescue, Belayed Speed Climb, Work Climb, Footlock, Throwline, and Master's Challenge.

There will be a kid's climb, too, so bring the whole family!

EVENTS – *Times may vary depending on weather*

- 6:45am –1:00pm Tree Climbing Championship Preliminary Events
- 10:00am -1:00pm Kids Tree Climb (*Suggested donation \$10 per child*)
- 2:00pm –5:00pm The Master's Challenge Event (*the finals*)
- 5:00pm - 6:00pm Results & Awards

Media, want to experience tree climbing? [Contact us](#) to get into the canopy!

RAIN DATE: Sunday June 10th

Sponsorship Opportunities can be found at [here](#).

ABOUT The New England Chapter of the International Society of Arboriculture (NEC-ISA)

The New England Chapter of the International Society of Arboriculture offers opportunities for the professional development of the region's certified arborists through educational workshops, training, public service and events. Through these professional activities, we assist our members to enhance their technical proficiencies and stay abreast of technical/scientific developments in the field of arboriculture. Additionally, we encourage our members to engage with the general public and to share with them the science, art, and research of arboriculture. For more information, visit our website at www.newenglandisa.org.
